Subject: RE: Dallah Avco correspondence

Robert: Thank you for your letter of yesterday, which was not unanticipated given the prior communications in September that you have referenced. Do you have a sense how long Dallah Avco will need to complete the document review and produce its documents? Also, have you had a chance to check with other defendants to see whether their productions may also extend beyond December 15? We are amenable to a reasonable omnibus extension of the production deadline to accommodate the completion of the productions, and believe that would be the best approach. Let us know. Best, Sean
